At a minimum, the years on the title page must be updated to reflect the intended use of those rules for the subsequent season's play. The updated book must be posted on the League's website and provided to all parties. For the Travel program, the Metro West rules, or another league as chosen by the Travel Director will govern.

Section 3: COACHES

ARTICLE VIII

ASSIGNMENT/SELECTION OF PLAYERS TO TEAMS

Section 1: EVALUATION REQUIREMENT

An evaluation will be held each year for all league ages. In order to be eligible for draft, it is mandatory that every child be registered as per the registration guidelines and time schedules, and deadlines.

Section 2: EVALUATION PROCESS

For In-Town evaluations, the Head Coaches, designated Board members and or independent evaluators agreed upon by the Director and Vice President will be supplied with a list of players and will be allowed to participate in the evaluation process. Each player will be assigned a number. Each child will be graded by every Head Coach and the designated Board member present, utilizing a rating system in the areas of basketball skills. After these evaluations, the grading scores will be provided to the Head Coaches prior to the League Draft. Any League Director seeking to make any variation from the above process must have it approved by the VP in no less than 48 hours prior to the scheduled evaluation session.

For Travel team player evaluations, a Travel team program document will be agreed upon by the Travel Director and Vice President and will contain the rule for the evaluation process. Head Coaches who have been recommended by the Travel Director and approved by the Board will conduct the evaluation along with the Travel Director, if needed.

Section 3: IN-TOWN PLAYER SELECTION

In-Town Coaches will draft in order determined by a random drawing. The coach drawing number one will have first choice of the first round and the last choice of the second round. The coach drawing the last draft choice will choose last in the first round and first in the second round, etc., until all eligible players have been drafted, utilizing a Snake Draft format. However, the Draft selection may be modified by the League Director with approval from the Vice President. Under no circumstances will players be

appointed to a team with the expectation of that player's parent acting as an assistant coach. All players must be drafted in the manner outlined above.

Section 4: TRAVEL PLAYER SELECTION

1. The A Team head coach, along with a small committee consisting of the travel director and two additional board members will pick a team from the best available players at each position. If the committee does not agree upon the final selection of players, the board's executive committee will make the final decision with the involvement of the A Team head coach. Previous participation on a travel team does not guarantee placement on the A team. Players must tryout each year and be placed on the travel team appropriate for their skill level.
2. Each additional travel team will select his or her team using the same process as detailed in Article VIII section 4 paragraph 1.
3. Travel team Head Coaches will use the results from the evaluation process as a guide to help make their team selections. Player history, behavior, and team chemistry will also be a factor. Teams will be constructed with positional needs taken into consideration. It is the Board's intention that the A travel team is constructed to be the best "team" rather than a collection of the most talented players.

If the inappropriate conduct is not corrected, the offending spectator may be asked to leave the gym. If agreed upon by the Vice President and the League Director, the bench attendance during the suspension may be waived, if determined to be in the best interests of the league.

Subsequent Action Penalties: If it is determined by the league officials, head of referees, and/or the League Director that misconduct is of such a severe nature that a meeting is required to determine if further penalties or sanctions should be imposed on the offending parties, Vice President will call a meeting of the Executive Board and involved parties to review the incident.
